Savannah

AN ECO-DESIGNED RANGE

This new French-designed collection is produced from **premium-quality recycled materials**:

100% recycled padding

60% recycled outer fabric

Thick poly cotton fabric **200 g/m²**

A SLEEK AND TRENDY COLLECTION

A contemporary **plant-inspired** print is combined with a **stylish plain-coloured fabric**. The «Savannah» **screen-printed design** featuring the fabric's plant motif and the piping finish reinforce the collection's high-end status. The range is available in **two shapes**: the «Lounge» quilted basket and the quilted cushion with a removable cover.

OUR COMMITMENT

The products in the Savannah range feature the **1% FOR ANIMALS** Label created by the YOUCARE Association. As the Founding Group, Zolux is therefore committed to donating 1% of the sales revenue from its labelled products to promote animal welfare.
