

Innovation Showcases

Introduction Innovation Showcases

How to easily use this platform?

- The platform is divided into 7 categories, see the diagram below. Click below on the category of your choice, you will be redirected to the start of that particular category.
- Every category has its own color that reminds you where you are situated on the platform.
- All home pages, email addresses and video links are clickable.
- Companies are looking around for business partners, the symbols are indicating for which sector they are looking to contact. At the bottom of each page you will find a legend explaining the meaning of the symbols.

How to inform your colleagues?

You are permitted to send the direct link or the PDF version to anyone you like.

Or guide them to: <https://globalpets.community/magazine/innovation-showcase-2020-may>

How to become part of the Innovation Showcases platform?

- Innovations are presented per 1/4 position
- Per position €325
- The next edition will be October 16th, deadline September 25th
