

CarSafe™

Introducing the NEW CarSafe™ Crash Tested Harness

For a dog owner looking for extra peace of mind the CarSafe™ Crash Tested Harness is the ideal choice. Certified up to 32Kg / 70lbs it directly links to the car seat belt system with no extra connection clip required. On arrival, converts to a comfortable dog walking harness.

- ✓ Peace of mind for the dog owner
- ✓ Ensures road legislation and insurance terms covered on dog being restrained when vehicle is moving
- ✓ Keeps dog safe and secure in car
- ✓ Prevents dog leaping from vehicle
- ✓ Reduces risk of driver distraction
