

CLASSIC

Naturally absorbs liquid and odours

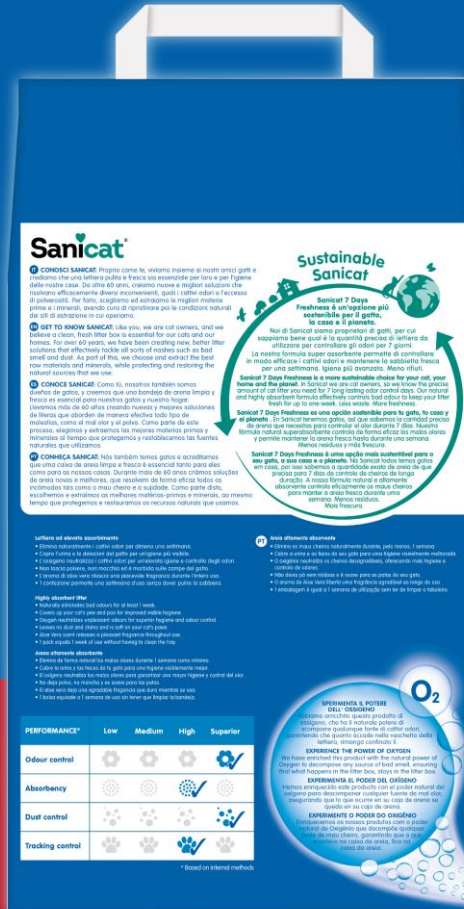

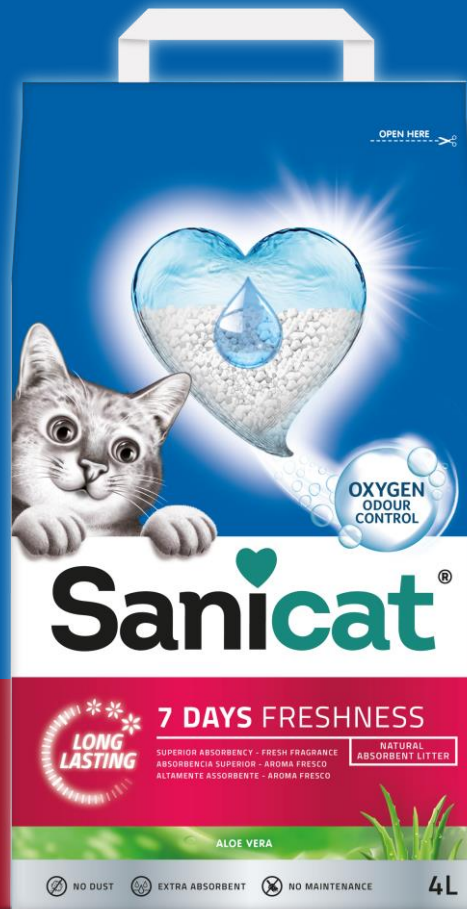

Sanicat®

- Sanicat Classic Litters are natural clay and mineral litters are powered by Oxygen Odour Control which absorbs smells
- It is lighter in weight, which makes transportation, use, and disposal a lot easier
- Non-clumping litter does not require daily maintenance: it needs a whole tray content change only when the mineral is dirty

SPECIALS CLASSIC - 7 DAYS FRESHNESS

The perfect solution for 1 week use

- Naturally eliminates bad odours for at least 1 week
- Oxygen neutralizes unpleasant odours for superior hygiene and odour control
- 1 pack = 1 week of use without having to clean the tray. Less waste. More freshness.
- Covers up your cat's pee and poo for improved visible hygiene
- No dust, no staining and soft on cat's paws.
- Aloe Vera scent releases a pleasant fragrance throughout use
- Packaging: High quality Paper bag. FSC Certified
