

The go-to source for the international pet industry

GlobalPETS inspires, informs and connects pet professionals in 130+ countries. Our online and print publications are the go-to sources for insights into the latest trends, developments and markets across the world.

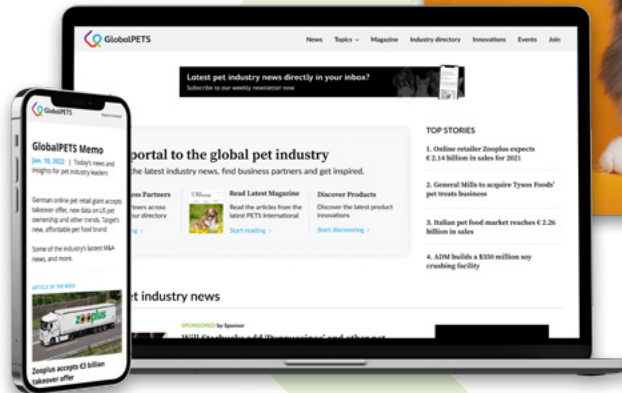

Advertising with us can help you:

- Increase brand recognition through reach and repetition
- Position your company as an industry leader
- Tell your company's story via content marketing
- Generate leads for your sales team

“ It's like the Harvard Business Review of the pet industry. ”

“ The only industry newsletter I read every single time. ”

“ Not just advertising, but actually useful information. ”

Reach a global audience of decision makers

Build new relationships with key decision makers across the world through our different publications and channels.

If you're looking to connect with distributors, retailers or manufacturers, our growing audience of decision makers (executives, C-level, directors...) is always interested in learning about new potential partners.

Your only job is to put the right message and creative in front of them to instigate or strengthen the relationship.
