

Flexidoor Pet Crate

Designed to Adapt-

A crate that fits your space, your way

Adaptable by design

- Configurable short-side door installs on left or right
- Stationary long-side door for everyday access
- Multiple setup options to fit your space

Flexible Configuration

Adjust door placement to suit any room layout

Space-Smart Design

Ideal for walls, corners, and tighter living spaces

Home-Friendly Look

Furniture-style design blends into modern interiors

Dual-Door Access

Convenient entry points for both daily use and set-up flexibility

ECOFLEX® Material

Moisture-resistant, odor-resistant, and easy to clean

10-Year Warranty

Confidence backed by long-term manufacturer support

Built with ECOFLEX®

Crafted from ECOFLEX®, a proprietary composite material that offers a cleaner, low-maintenance solution for pet living spaces.

- Resists moisture and does not absorb liquids
- Odor-resistant for a fresher environment
- Resistant to rotting over time
- Easy to clean and maintain

Why It Stands Out

- True configuration flexibility vs. fixed-door crates
- Premium material with easy maintenance benefits
- Elevated design that fits the home
- Differentiated offering for today's pet category
